Dear Sir;

In case you need a man to teach philosophy next year, I should like to apply for the position.

I graduated from Drake University in 1907. I took one year of graduate work at The State University of Iowa and three years at Cornell University.

I am working this year as assistant in logic and psychology at Syracuse University. Age 34.

Yours respectfully.
John B. Kent.

Dear Sir:

I do not think that there is any likelihood of there being a vacancy in the Philosophical Department next year.

Yours sincerely,
